<i>Special Instructions/Notes</i>

Terms and Conditions

All products are sold by box quantity only, except single packaged items.

Any items which are out of stock will be placed on back order with the distributor's consent and will be delivered as soon as they arrive in stock

Minimum Order Value

Orders valued under £500.00 will incur a carriage charge

Ordering Procedures

All orders should be placed using either a Bona order form or on the customer's stationary using the Bona product codes. Any verbal orders must be confirmed in writing within 24 hours of the order being placed. All orders are to be placed in box quantities only.

Sanding Machines

- A carriage charge applies when ordering 1 sanding machine.
- No carriage charge applies when ordering 2 or more sanding machines.

Bona Workwear

Orders valued under £250.00 will incur a carriage charge. Normal delivery times apply. Allow a 2-3 week delivery time for out of stock products.

Delivery Times - Non Hazardous Goods

- For all central areas in the UK, the normal delivery time will be within 2 working days of the order being received by Bona from customer
- For all other areas including Scotland, Wales and the West Country, the normal delivery times will be within 3 days of the order being received

If an order is urgent, we will attempt to speed up delivery as follows

- In central areas we will do our best to deliver the following day, providing the order is received by Bona by 11am on the first day.
- In all other areas we will do our best to deliver within 2 days, providing the order is received by Bona by 11am on the first day.

Delivery times - Hazardous Goods

For hazardous goods, the delivery times will generally be 3 days for central areas and 4 days for all other areas.

Return of Products

Bona will normally accept returns of stock, but only within their sell by dates, and associated freight and handling fees will be charged

NB The trade price shown in our price list for each product relates to a single unit unless indicated otherwise.
