

Bona® 2012 Sand & Finish Schools

Course topics at a glance...

- Hands-on stain, sealer and finish applications.
- Overview of all Bona Systems.
- Hands-on sanding techniques.
- Finish and stain repairs.
- Machines, abrasives, recoating, troubleshooting and so much more!

The Bona US Training Team offers a 4-day intermediate/professional sanding and finishing school for hardwood flooring contractors, inspectors, floor covering dealers and distributor personnel. You are invited to attend, learn and participate in hands-on practice using Bona's complete line of adhesives, abrasives, dust containment systems, sanding equipment, stains, waterborne and solvent-based sealers and finishes, tools and techniques. Cameras and video recorders are welcomed and recommended. Classroom attire is working casual: jeans, t-shirt and tennis shoes (no black sole shoes please).
