Bona Mega Natural

- Look and feel of pure wood
- Superior protection for residential areas
- Dispersion mainly consisting of plant-based oil
- GreenGuard approved for low indoor emissions

THERE'S SOMETHING SPECIAL about natural wood. Bona Mega Natural seals and protects wooden floors yet preserves the look and feel of pure wood. Unlike conventional lacquers the surface, to the touch, feels more like raw, finely sanded wood. For best impression of raw wood, combine with one coat of the primer Bona White. Enjoy the feeling of natural wood.

TECHNICAL DATA:

Base:	Polyurethane
Category:	Waterborne 2-comp
Gloss levels:	Natural
Drying time:	3-4 hours between coats
Application tools:	Bona Roller (microfiber/fleece)

Note: It is recommended to not apply more than two full coats per day due to increased risk of excessive wood swelling.

CERTIFICATES:

BONA LACQUERS

Bona waterborne lacquers are low VOC and offer superior wear resistance. They are the perfect choice for any floor, from bedroom to busy international airport. Bona lacquers are easy to use, and perform even better when used together with Bona primers. Choose from four sheen levels: extra matt, matt, natural and gloss.
