

Bona Oil 45

Bona Oil 45

Bona Oil 45 is a hardening tall oil intended for the surface treatment of untreated wooden floors exposed to normal or heavy wear. Due to its longer open time large areas can be treated as there is more time to work over the floor before the oil has penetrated into the wood.

Key Benefits

- Based on tall oil from pine trees
- Dry solids 45%
- For treatment of large areas
- Minimal bleed-back
- Meets RAL-UZ 38 for VOC and formaldehyde emissions

Technical Data

Type of oil:	Esterified tall oil
Solids content:	Approx. 45 %
Density:	0.85 kg/dm ³
Dilution:	Do not dilute
Waiting time between applications:	30–45 minutes
Application tools:	Mop, brush, roller or similar
Total consumption:	Approx. 4–8 m ² /litre depending on type of wood
Safety:	Unclassified
Fire risk:	Yes (see the Safety Data Sheet)
Flash point:	36°C
Shelf life:	At least 2 years, from the date of production, in unopened original container
Storage:	Store frost-free
Pack size:	2 x 5 litres (35 boxes per pallet) 6 x 1 litre (72 boxes per pallet)
