Bona PowerScrubber

Compact and powerful deep cleaning machine

Bona PowerScrubber

Compact and powerful deep cleaning machine

The Bona PowerScrubber is a compact, powerful machine for deep cleaning wooden surfaces. May it be varnished, oiled or even an outdoor wooden deck, the result is always stunning. Together with Bona Deep Clean Solution, it removes the toughest dirt and grime from wooden floors with ease. The two counter-rotating cylindrical brushes clean deeply along the grains of the wood, ensuring that it is complete free of dust and algae. The rubber squeegees ensure an effective water pickup, enabling a powerful yet mild cleaning process.

Application areas

- Outdoor wooden deck
- Indoor finished wooden floors
- Indoor wooden oiled floors

Key Benefits

- Efficient deep cleaning along grains of wood
- Powerful and easy to manoeuvre
- Does not leave swirl marks
- Easy to fill, clean and transport
