

Bona DeepClean W

Technical data sheet

Bona
Care

Bona DeepClean W is a concentrated cleaner for thorough deep cleaning of lacquered and oiled wooden floors. The unique formula provides optimal cleaning efficiency and removes stubborn scuff marks without risk of staining the wood. Can be used with scrubber driers and is particularly suited for the Bona PowerScrubber. Can also be used for manual cleaning.

- Powerful cleaning performance
- Reduced pH prevents alkaline staining
- Optimized for Bona PowerScrubber

Technical data

Type product:	Surfactant solution
pH-value:	approx. 9 (concentrate)
Dilution:	1:10 – 1:20, parts concentrate to water
Processing tools:	Bona PowerScrubber (white or red brushes), scouring pads, microfiber pads and similar.
Safety:	Unclassified, see safety data sheet for more information.
Shelf life:	2 years from the date of production, in unopened original container
Storage/Transport:	The temperature must not fall below +5°C or exceed +25°C during storage and transport.
Disposal:	Wastes and emptied containers should be handled in accordance with local regulations
Packaging:	6x1 litre, 3x5 litres

Processing

Remove loose dust/grit using a vacuum cleaner, scissor mop or other dry cleaning method.

Mixing instructions

Lacquered floors: 1 part DeepClean W to 9 parts water (10%).

Oiled floors: 1 part DeepClean W to 19 parts water (5%).

Cleaning directions

Refer to scrubber drier manufacturer's set-up and operational procedures. If using the Bona PowerScrubber, set to medium pressure and observe the directions for use. Do not allow excess solution to pool or puddle on the wood floor. Wipe up spills immediately.

Normally, one or two cleaning passes will thoroughly clean the floor. For heavily soiled areas more passes may be needed to remove deeply engrained dirt. It is also possible to distribute a small amount of product on a section of the floor and allow to work for a few minutes before cleaning.

Note: After deep cleaning an oiled floor, it is always necessary to re-apply maintenance oil afterwards.
