

Bona® BLUE Abrasives

Technical data sheet

The new Bona BLUE Anti-Static abrasives consist of an innovative combination of grit materials and anti-static properties, designed to give you aggressive performance without sacrificing smoothness. The addition of anti-static properties helps prevent dust from clinging to the abrasive, which leads to a more consistent cut, less dust on the floor, and will keep your machine cleaner.

Order Information

4" BLUE Siafast Paper Disc

ITEM NO.	GRIT	NO./CASE	LBS./CASE
AAS820040036	36	100	4.5
AAS820040040	40	200	4.5
AAS820040050	50	200	4.5
