

Bona CombiEdge

Technical data sheet

Versatile edger with interchangeable arms provides excellent reach under the deepest toe kicks and radiators and can maneuver in tight, hard to reach areas.

- Interchangeable long arm and short arm
- Utilizes 6" sanding discs
- LED light provide excellent illumination
- Lightweight design for greater ease of use
- With very few operations, user can easily convert from Short Arm to Long Arm as needed
- Increased productivity reaching areas other edgers can't

Technical data

- Motor – (single phase) 60Hz, 115 Volt
- Sanding disc size – 6"
- Sanding disc speed – Long and Short Arm 3300 rpm
- Illumination
- Adjustable arms
- Access toe kicks and other hard to reach places
- DCS compatible
