

# Bona Commercial System™ Multi-Surface Floor Care Kit

## Technical Data Sheet

Bona Commercial System™ Multi-Surface Floor Care Kit is designed specifically for cleaning professionals and includes the industry's largest (24") mop base for optimal cleaning efficiency to help keep labor costs down. The highly durable brushed aluminum pole, when used with Bona's premium microfiber dry dusting and wet cleaning pads, is the perfect system for tackling multiple job sites daily.

- Adjustable mop pole with 4 locking height positions
- Low-profile base for easy cleaning under furniture and fixtures
- Flared mop base for maximum dirt and debris removal
- Light and durable aluminum pole and base
- Wash and reuse microfiber pads up to 300 times
- Use with Bona Commercial System™ Hardwood and Hard-Surface Floor Cleaner
