

Bona Wood Surface Cleaner

Technical data sheet

Bona Wood Surface Cleaner is specially designed to effectively clean any wood or laminate surface. It is easy and safe to use and leaves no soapy or dulling residue. It effectively removes dirt, fingerprints and food smudges from kitchen areas such as doors, cabinets and countertops.

Due to the choice of active ingredients, this cleaner is very effective on dirt and other household grease.

- Safe for all wood
- Effective on grease
- Leaves no dulling residue
