Passion for Wood Floors

For Beautiful Wooden Floors

Nothing adds character and atmosphere to a home like a beautiful wooden floor.

Based on decades of professional experience, Bona has developed a special product range for today's homeowners, with focus on simplicity, health, safety and sustainability.

Regardless of the wooden floor's needs, Bona offers high quality products and clear guidance.

Floor Care

Wood becomes more attractive with age but it needs proper care to maintain its beauty. Because wood is different from other flooring materials, it requires special cleaning and maintenance to keep it at its best. That's why Bona offers a full range of floor care solutions for all kinds of floors, both wooden, laminate, tile and stone floors, from cleaners and refreshers to mops and pads.

Outdoor

Outdoor decks are constantly exposed to the forces of nature, like the pounding rain, the freezing snow and the scorching sun. Bona's products give your decking the lasting protection it needs to resist and repel the elements and stay in prime condition, no matter what the weather is. Bona's outdoor range consists of decking oils and cleaning products.
