

Full Sanding and New Surface | **REFINISH**

The makeover your floor has been begging for.

Bona **REFINISH**

A complete renovation for your hardwood floors. All damage and discoloration disappears with virtually dustless sanding and refinishing. It's also the perfect chance to update the look of your floors. Try out a few different sealer or stain colors to find the perfect complement for your home.

- Opportunity for design update
- Dustless and water-based for healthier indoor air
- Repairs most gouges, damage, discoloration and fading
- Endless design possibilities

THE **REFINISH** PROCESS

1. Sanded to bare wood.
2. Sealer or stain applied.
3. Finish applied in selected durability and sheen.
