

Bona[®] Blue Abrasives

Built-in anti-static properties comprised of innovative combination of abrasive grains

Bona[®] Blue Abrasives consist of an innovative combination of grit materials and anti-static* properties, designed to give you aggressive performance without sacrificing smoothness, at a tremendous value. The addition of anti-static properties helps prevent dust from clinging to the belt, which leads to a more consistent cut, less dust on the floor, and will keep your machine cleaner.

- Specifically designed for hardwood flooring
- Innovative combination of grit materials and anti-static properties
- More consistent cut
- Available in discs, edger discs and belts

*16-grit not anti-static
