Bona Microfiber Pads

Technical data sheet

The image shows the packaging for a Bona Microfiber Applicator Pad. The top part of the packaging is orange and features the Bona logo in white. Below the logo, it says "Microfiber Applicator Pad for Multi-Surface Floors". A blue applicator pad is shown attached to a silver handle. The packaging also includes a green circular seal that says "Use with Bona Polish or Refresher for a perfect finish!". On the left side, there are three vertical labels: "WOOD", "STONE & TILE", and "LAMINATE & LVT". Below the applicator pad, there is text in German: "Auftragspad für Polish und Refresher" and in French: "Pad pour application de polish ou de rénovateur". A red banner at the bottom of the packaging says "PROTECT". Below the packaging, the actual yellow microfiber pad is shown, with a blue border. The dimensions "43 cm x 13 cm" are printed at the bottom left of the packaging. The Bona logo is at the bottom right of the packaging. A red banner at the top of the packaging says "SUSTAINABLE DESIGN! Washable 500 Times".

Bona Applicator Pad is designed for the application of Bona Floor Polishes and Refreshers. It attaches with Velcro-like strips to the Bona Premium Microfiber Floor Mop, the Bona Spray Mop and the Bona Mop inside our Bona Floor Cleaning Kits. Washable up to 500 times.

Do not use fabric conditioner when washing Bona microfiber pads.

Avoid leaving your mop standing with a wet cleaning pad face-down on the floor surface when done cleaning – this may cause permanent damage to your surface.
